Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.”

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

### The being's re-transformation....

You should not forget that the Eternal Love brought you to life, that therefore your fundamental nature was love as I Am Myself and that you must revert to your fundamental nature again from which you had distanced yourselves, i.e., you had changed yourselves into the opposite. And this re-transformation into love must take place again, for you cannot remain separate from Me forever, hence My activity and reign will always aim to return you to the state you were in at the beginning. My nature is love, only love could have emanated from Me and as a spiritual being be likewise destined to be active in love. But then it also had to work in My will, and as long as this was so the beings were also intimately connected to Me, they were constantly permeated by the strength of My love and thus the beings were like Me. Yet they did not remain that way.... they turned their will against Me and used the strength of love flowing to them to act in opposition to My will. They gradually distanced themselves from Me, and every distance also signifies a weaker flow of strength, which became ever less because the beings in arrogance and wrong thinking rejected it themselves. For as a result of their resistance they also lost the light of realisation, they fell into the abyss where the darkness engulfing them became ever thicker until their spiritual substance hardened and they became solid substance, which only My will changed again by forming them into creations in which they could give up their resistance.

Hence they must endure a state wherein they remain in complete weakness so that they can be awakened to life again one day, and in accordance with My will therefore animate creations in which the slow process of maturing takes place. This is the stage of the 'bound' will where only **My** will applies and thus the being fulfils its task in the state of compulsion until it has reached the maturity when it can receive its free will again. For one day it has to be demonstrated again that you came forth from 'love'. And one day love has to flare up in you and urge towards Me again, one day you must voluntarily request the strength of love from Me and through a life of love unite with Me once more, which ought to happen during your lifetime on earth. But then the process of reintegration will have been accomplished, then the being which, according to My will, was once created by My love will have voluntarily returned to the state of adopting its fundamental nature again and of its own **free will** become as perfect as it was once created by **My** will.... Then the work I planned by creating you will have been accomplished, to turn you into My children whom I was **unable to create** on account of free will, instead, every being has to achieve this itself but then it will also be infinitely happy in eternity.... Amen

**‘Whoever remains in love....’ Strange gods....**

Whatever causes you to form a bond with Me is a blessing for you humans, because the goal of your earthly life is to revoke your separation from Me which you once voluntarily endeavoured towards yourselves .... thus uniting with Me again of your own free will. And whatever helps you to do so is therefore good.... Hence the will to reach Me is decisive for achieving your goal on earth, and this determination also includes that you live a way of life that is pleasing to Me, for being of sincere will you will never want to sadden Me again, you will never delight in sin if your will and your love are intended for Me.

But the connection with Me can only be achieved by practising love, because where love exists I Am present Myself. ‘Whoever remains in love remains in God and God in him....’ Without love there can be no bond with Me, no matter how loudly and eagerly the mouth would like to affirm its will for Me. Only love is the evidence of this, for love and I are the same, and acknowledging Me and fulfilling My will is the same as working with love....

You humans should know that no-one can and will approach Me if he lives without love.... Only love connects us, and love demonstrates the rejection of My adversary and return to Me.... With your fall into the abyss you turned away from Me and rejected My love, thus you also became completely heartless. Your change of will on earth therefore has to consist of your desire to be illuminated by Me again and of igniting love in yourselves again which will unite you with Me once more.

The more sincere your determination, the more you will think of Me, of your God and Creator of eternity, Who wants to be recognised and loved by you as a Father. And soon your thoughts will be engrossed in Me, for then I will not leave you again, I will not release you anymore, I will constantly court your love because love is the most solid bond between us which cannot be undone again by any hostile power.

I want to own all your love.... you shall not have any other gods beside Me.... you should not strive for anything else with the same love, for whatever you endeavour or love in your innermost being that is your God.... irrespective of whether it concerns honour and fame, earthly possessions or even the people you love.... You must not value anything more than Me, I want to be to you the highest and most desirable Being in heaven and on earth. I want your whole heart, and as long as you still share it, the bond with Me is not yet established, for whatever fills your heart stands between Me and you....

Every person’s will is free, he can turn wherever he wants, but the goal on earth will only have been accomplished when he turns to Me. But there is great danger in the fact that the human being considers many things desirable and that My adversary places everything before his eyes to prevent him from forming this heartfelt bond with Me.... and that he also brings additional gods close to the person just to divert his thoughts from Me, for they are all strange gods permeating a person’s thoughts if I Myself Am not the essence of his innermost thoughts....

Therefore you humans should seriously scrutinise who or what moves you most, you should ask yourselves whether you are as close to Me as a child is to its father, whether the connection with Me is your first and only goal.... and you should push everything from your thoughts which stands between Me and you, you should give Me first place in your heart and make no concessions whatsoever. For your return to Me can only take place through the unification with Me, and you have to seek and find this of your own free will, because no-one else can establish it on your behalf.... Amen

### Love 'He who remains in love remains in Me....'

In unity with Me you find your peace of mind. Your longing is satisfied as soon as you know yourselves to be as one with Me, if you have united with Me through love or heartfelt prayer sent to Me in spirit and in truth. Prayer is the will for unity with Me, activity of love, however, is the fulfilment, for 'He who remains in love remains in Me and I in him....' Love is the most important.... and everything that is described as the maturing of the soul, the return into the Father's house and eternal beatitude depends on deeds of love.... And if you always only keep these words in mind 'He who remains in love remains in Me and I in him....', if you always only remember that **I Am Love Itself**, then you will consider the fulfilment of My commandments of love to be the most important thing, and then you will endeavour to live a life of love in order to be thereby eternally united with Me. Love is everything.... it is redeeming strength, it is light, it is the divine principle, the centre of eternal order.... If a human being exists without love then he has completely left this order, his thoughts and activity are completely in opposition to God, he is spiritually blind, that is, he is ignorant, and he is unredeemed in the hands of the adversary who wants to exclude him from all happiness....

I Am Love Itself, heartlessness is My adversary.... and anyone who therefore desires to be united with Me, who wants to attain Me **must** live a life of love, for then I must also be with him, because love is and has been My fundamental substance for eternity. I certainly bestow unlimited blessings, I certainly grant you what you don't deserve and don't strive for by yourselves, yet all My gifts of grace only intend to achieve one thing, that you shape yourselves into love, for even if I would like to bestow everything upon you.... you would nevertheless remain dead without love, without love you would remain judged beings.... you would only ever remain My living creations but never ever be able to become My **children**. Only love can accomplish My living creations' deification, only love can unite us, otherwise you will always just lead a miserable existence as isolated beings outside of Me. And this is why the first and most important commandment is to love God above all else and your neighbour as yourself.... And your spiritual state on earth as well as in eternity one day depends on your fulfilment of this commandment.... This is why I instructed My disciples to go into the world and proclaim My divine teaching of love to humanity.... this is why I Myself exemplified to people on earth a life of love and sealed My teaching of love with the death on the cross, which I suffered on behalf of My fellow human beings because of My greater than great love.... because I recognised their infinite hardship and wanted to help them.

And as long as you humans ignore these commandments of Mine you will be unable to achieve beatitude, no matter how profoundly you humble yourselves in the dust before Me, pleading for My mercy.... My love for you cannot be exceeded any more and I want to win all of you over for Me, yet **My** bliss only consists of your reciprocated love, and you must grant this to Me voluntarily.... And your appeal for mercy has to be based on your desire for Me because you **love Me**.... and because you realise how far-away you still are from Me. You must try to reach Me, you must want to achieve unity with Me, and therefore you must live a life of love yourselves or unity will never be possible to achieve. Consider the fact that with every deed of love you draw the eternal Love Itself to yourselves.... but that It cannot enter your hearts if they are still completely contradicting God's fundamental nature.... You only unite with Me through love, and that is what you ought to bear in mind and seek to fulfil the commandment of love as the most important.... you ought to know that no human being can become blissfully happy without love. Amen

### **What is love?.... Changing selfish love into neighbourly love....**

And time and again you are reminded to live a life of love. For love is the strength that redeems you, love is the path which leads to Me, love is My fundamental element, and therefore anyone who lives in love is intimately connected with Me, because he inevitably draws Me, Who is love Himself, close to himself.... But what does it mean to live a life of love in accordance with My will?....

You should change selfish love, which is your nature at the beginning of your incarnation as a human being, into selfless neighbourly love, that is, you have to change the demanding, wanting-to-own love into selfless, giving, wanting-to-please love, which alone can be called 'divine love'. For My adversary knew how to change this divine love within you into the opposite, how to instil the desire for anti-divine things, he knew how to arouse longings in you humans which you sought to fulfil; he has lowered selfish love into your heart, and you have to try to change it again during the time of your earthly life into divine, selfless love.

And thus you should practice unselfish neighbourly love; you should think less about yourselves and take a personal interest in your fellow human beings' fate instead.... You should make people happy and emanate sincere love, for only this love is divine; it is the love which connects us again in time and eternity. For this reason people's attention should repeatedly be drawn to their earthly task of shaping themselves into love; time and again they should be reminded of My commandments of love, and at the same time they should be informed of the **effect** a life of love has for the human being's soul, they should also be given the reason **why** I require love from people.... it should be explained to them that they had fallen into the abyss because they had rejected My love, because they had left My order, because they had placed themselves outside of My flow of love and thus also turned their nature into the opposite. People have to be instructed of the fact that strength of love also guarantees 'life', whereas without love the being is dead albeit it lives an illusive life as a human being.... They should know that they live on earth in order to acquire **eternal** life for themselves, and that eternal life also requires a degree of love which necessitates a conscious struggle against selfish love. The human being should know that the 'love' I want should only ever be understood as the selfless, giving and wanting-to-please love. And if he now aims to change his nature into love he will then also soon experience the effectiveness of divine love.... he will learn to understand everything, he will become enlightened, he will emerge from spiritual darkness, he will arrive at the 'understanding', he will be permeated by My spirit and be able to teach, for his inner realisation will give him the ability to transfer it to a fellow human being, although he, too, first must have reached this enlightened spiritual state due to his deeds of love in order to muster the understanding for it.... in order to recognise the conveyed knowledge as truth.

**Love** has to **result** in a **clear** spiritual state, otherwise the fulfilment of My commandment of love will only ever be feigned by words but the evidence will fail to materialise itself. Love comes first, love is the Divine, love is the fire which irrevocably will also radiate light.... Thus wisdom has to be recognisable where true love is practised, so that a person's reasoning is correct, so that an inner light is kindled within him and he then will also speak with wisdom, because the spirit in him expresses itself, because I Am able to speak through him Myself and **My** Words are truly light and life and provide evidence of most profound wisdom. And thus the effect of a life of love has to be identifiable, for 'whoever remains in love remains in Me and I in him....' and thus My spirit works wherever I can be, and this expresses itself such that you will truly no longer doubt My presence.... Amen

B. D. br. 6121, 27.11. 1954

### **The right amount of selfish love.... 'As yourself....'**

Making a sacrifice on behalf of your fellow human being is true unselfish neighbourly love.... in that case you love your fellow human being **more** than yourselves. And if you give to him what you find desirable yourselves then you also love him as you love yourselves.... I only require this neighbourly love, i.e. this, too, has to be voluntarily practised in order to result in spiritual blessings for you.... However, if you are also willing to make sacrifices, if you voluntarily go without in order to give to your fellow human being, then this neighbourly love will be far more valuable and as a result the soul's achievement will be far bigger.... The human being is granted a certain amount of selfish love because it is needed for the fulfilment of earthly tasks, so that the human being can sustain his physical life, so that he can give what the body requires to himself in order to be able to live his earthly life.... It is just that this selfish love should not be exaggerated, so that the person does **not** consider his fellow human being.... so that he only ever gives to himself and thereby directs his love wrongly.... This is why I added the Words: 'as yourself....'

And thus the human being will be able to use this guideline in relation to his thoughts and actions.... he must, if he wants to fulfil My will, consider his fellow human being in the same way as he considers himself. And depending on his heart's willingness to love the human being he will then find it either easier or more difficult to comply with My commandment. But anyone who considers himself less important than his fellow human being will have an exceptionally loving heart, and he will very easily attain perfection.... Yet everything is left up to you.... I certainly gave you the commandment of love, but someone who doesn't want to fulfil it will ignore the commandment.... whereas a person who loves will not need My commandment. Only love which becomes spontaneously active without having been prompted by commandments is the right kind of love. But a human being whose attention has been drawn to My commandment of love can also carry out deeds of love without being **inwardly** prompted, by at first merely being encouraged to do so as a result of this commandment.... until the spark of love within him ignites increasingly more and makes the person happy when he kind-heartedly helps his neighbour.

Nevertheless, only what is motivated by love for his fellow human being will be assessed.... Love your neighbour as yourself.... Everyone possesses love for himself, and rightly so, but it must not exceed his love for a fellow human being which, however, is the case if a person ignores his fellow human being's adversity by believing that he cannot share anything with him because he doesn't own much himself.... He shall also share the little he has with him and it will not cause him any harm, for if he is motivated by love he will be richly rewarded.... since the measure he uses will be the measure he will receive from Me Myself.... A loving person, however, will not think about it first, he will also give at a loss, and his reward will be truly great in heaven.... For the more he sacrifices, the more he pleases his fellow human being, the richer he will become.... He will be permitted to receive much love and be united with Me because he has changed himself to love.... Amen

**Selfless service in every walk of life.... Poverty.... Willingness to give....**

Everything you do you should do in the knowledge that you are carrying out divine will. Therefore you have to entrust all your thoughts, words and actions to Him, you have to request His blessing for this and entirely commend yourselves to His divine guidance... you have to put His will completely in charge of your daily life, that is, you only need want your way of life to be pleasing to Him and always do your best to attain His love. Then you can neither speak nor do anything which opposes God and your life on earth will not be unsuccessful for your souls. You fulfil God's will when the commandment of love becomes the guiding principle of your life, then you live up to the most important law and God will bless you, spiritually as well as worldly.

Your purpose on earth is to serve unselfishly and you can do so in every situation, irrespective of whether you are poor or wealthy, great or small, respected and powerful or inconspicuously weak... You can always be of service providing you want to be of service. Every human being is offered ample opportunity to serve kindly and no one should believe to be in need of receiving help themselves and reduce their own resolve to give because he has nothing to give... Even the poorest can give... and if he has no material wealth then he can give love and thereby awaken the love in others... he can be willing to give and his will is then likened to a good deed. But at all times God only looks into the heart and no impulse remains hidden from Him therein.

An outwardly apparent great act of love can be worthless in the eyes of God if the heart does not feel the love which displays the deed; and even the smallest gift is pleasing to God if it is given with a loving heart. And anyone who honestly wants to give gladly will also give of the little he owns, he won't fearfully question but share instead ... And it will be returned to him many times over because the Lord says 'as you give so you shall receive...' and His Word is truth. Thus no one should keep his possessions anxiously to himself when he endeavours to live in accordance with God's will, he should give gladly because his action of love will reward him with far greater blessings than his few possessions could ever offer. Because he will receive exceptionally more, both earthly and spiritually ... his soul will mature, he will always be correctly guided because God Himself takes care of those who want to live as it pleases Him, and because His guidance is the guarantee to reach the goal. Only one factor is required of you: that you live with love... that your thoughts, words and actions will always be guided by the love of your heart and that you devoutly commend yourselves to Him, Who gave you your life so that your souls can mature... With His grace and strength you are able to do everything, even during times of greatest physical and spiritual difficulties you can do deeds of kindness providing you unite with the Eternal Love Itself through prayer, which will give you unlimited strength and grace because you want to draw nearer to Him with deeds of love.... Amen

\*

B. D. br. 5905, 17.3.1954

**‘The measure you give....’**

The measure you give will be the measure you receive.... You should not anxiously calculate what you think you ought to give, you should hand out what you are inwardly urged to, for only that which you give out of love will be judged, and if you love, you won't be calculating but giving generously. By doing so you will not become poorer as you will be amply rewarded, you will never go without for I will truly abundantly return it to you, I will bestow the same love upon you, and that truly to a far greater extent. This promise of Mine is applicable spiritually and earthly, for you should alleviate people's hardship everywhere, you should give to your fellow human being what he requires.... And the spiritual hardship is far greater still than the earthly one, this is why the spiritual care of the poor has been entrusted to you, especially to those of you with spiritual riches at their disposal and who shall always share this wealth. All those who have possessions themselves should share their possessions. Yet their wealth will not diminish, for the more they share the more they will receive. I can only grant spiritual wealth - and thus also give the assurance that I will not let them go without - to people if they comply with My request to consider their fellow human beings, because they lack what they need to help them attain beatitude.... Anyone who shares earthly possessions acquires spiritual wealth and, at the same time, also receives earthly possessions according to requirement.... And the more wealthy he is the more generous he can and should become, for it will be a blessing for him as well as for the needy, love will flare up brightly, because every expression of love awakens love in return and because.... where love is kindled.... I Myself can be and thus distribute My gift without limitation. Love must flare up in the human heart, then receiving and giving can take place without measure; yet without love every gift is mere calculation or formality which is not judged by Me as a gift of love. Let your fellow human beings' hardship speak to you. Spiritual as well as earthly suffering should awaken your sympathy, then your heart will be involved, then every gift will trigger joy in the giver as well in the recipient, and then I will also be able to give because your love motivates Me to do so, and then your wealth will increase.... you will be endowed in a spiritual and earthly way and will never again have to go short, for My love and grace will flow to you without measure.... you may receive without measure according to My promise 'the measure you give will be the measure you receive....' Amen

B. D. br. 8584, 10.8. 1963

### **Love for God is demonstrated through neighbourly love....**

I always keep telling you the same: take care of your fellow human being in his adversity.... help him, irrespective of whether he suffers spiritual or physical distress; practice unselfish neighbourly love and you will fulfil the purpose of your existence. For you only demonstrate your love for Me when you give love to your neighbour, who is your brother. I Am a Father to all of you; I long for your love which should apply to all My living creations who have emerged from Me. Your fellow human beings very often suffer hardship, and it will mainly concern spiritual difficulties in which you should help them, for earthly difficulties will come to an end but spiritual adversity continues and will always require help, regardless of whether they are on earth or in the kingdom of the beyond.

Spiritual adversity largely consists of unkindness and therefore the soul's imperfect composition which, however, should mature in earthly life through love.... Hence, if you love your neighbour it can awaken reciprocated love and encourage the other person to change his nature if he wants to emulate you, if you are an example to him by living a true life of love.... Giving love is the greatest help.... but you should also make the Gospel known to your neighbour, that is, you should also describe his Creator and Provider as a God of love Who is everyone's Father and therefore wants to be called upon as a Father....

You should only ever try to impart spiritual knowledge to your fellow human being, and you will help his maturation if you offer everything to him with love. Yet you should also support your neighbour in earthly adversity and thereby likewise inspire reciprocated love, for love is strength in itself and will never remain ineffective unless your neighbour still completely belongs to My adversary, then he will reject you and not experience the results of love. And you will only ever mature through actions of love.... consequently every opportunity should be used by you to act with love.... And notice should be taken of every hardship suffered by your fellow human being, you should not pass him by indifferently and leave him in distress, for then you are heartless yourselves and do not fulfil your earthly purpose which solely consists of accepting your fundamental nature again, of becoming the love you were in the beginning.

The commandment of love will always be the first and most important one, and the Gospel which teaches you to love God and your neighbour will always have to be proclaimed to people.... However, you will never show love to Me if you ignore your neighbour, no matter how strongly you are moved by your emotions.... True love for Me can only be expressed in loving activity for the next person. And thereby you also prove your love for Me. But anyone who is half-hearted and indifferent in his love for his neighbour will never feel true love for Me, for how can a person love Me Whom he cannot see, if he **ignores** his brother whom he can see....

Love between people has grown cold in the last days, and therefore they are also very distant from Me Who, as Eternal Love, can only unite with a person through love.... And this is why the spiritual adversity is so great, for to be heartless also means to be without faith, without knowledge and without strength.... Furthermore, it means to still be subject to the power of the one who is devoid of all love and who will always stop people from acting with love.... but who also wants your downfall by keeping you away from Me. And he is the one you have to resist, you have to try to contact Me and you will only ever attain this through loving activity.... For this reason I say 'What you do to the least of My brothers, you have done to Me....' I Myself consider your love for your fellow human being as love for Me....

How else would you be able to demonstrate your love for Me?.... If you believe in Me and that I, as a Father, grant love to all My children, then you also have to return My love as children, and then you also know that all you humans are regarded by Me as children, that you are all the same.... living beings who originated from Me, and you have to love one another and move towards Me together.... But one also has to carry the other, you have to protect the other from suffering harm, you have to help him in all kinds of difficulties, you have to stick together and establish this true relationship between brothers and then strive towards your eternal Father together. Only then will

you have the kind of love for each other which I require of you humans, because you are the same in your fundamental substance.... because you came forth from the divine strength of love.

And once the relationship between you humans has changed, once all your thoughts and actions are determined by love, you will also become more perfect, you will become again what you had been before: living creations permeated by love which only ever work for each others beatitude.... For where love **exists** there also has to be a receptacle for this emanated love, irrespective of whether I Myself as the primary source, or you as terminals of My strength of love re-emanate this love.... there always has to be a vessel into which you can radiate your love....

And thus on earth this vessel is your fellow human being.... the person next to you to whom you give your love, which you receive from Me.... For you cannot give anything that you wouldn't have **received** from Me first.... I nurture the spark of love in you such that My love enlightens you consistently more and inspires loving actions, and this work will apply to your neighbour again, for you will be inclined to be constantly of assistance once My love is able to enlighten you.

And your activity of love for your neighbour demonstrates to Me that you accept My rays of love, that you open your hearts and grant entrance to Me and My love.... it demonstrates to Me that you are committed to Me in love again or you would keep your hearts closed and I would be unable to work in you. And you will always mature providing you don't lead a one-sided life but always consider your fellow human being and take a personal interest in his physical and psychological circumstances, providing you try to lead him on the path to Me and also support him in earthly adversity if he approaches you and requests your assistance. You are living together for the purpose of mutual maturing. And you will always be given the opportunity to carry out actions of helpful love.... You just have to be of good will and allow yourselves to be guided always in view of Me, your God and Creator, Whom you acknowledge as a Father and to Whom you show the love of a child.... Then you will love each other as brothers and benefit each other.... And then your soul will mature on earth and achieve its goal: through love it will unite with Me, the Eternal Love, and then you will be blissfully happy forever.... Amen

### **Neighbourly love....**

What you do to the least of My brothers, you do unto Me, and thereby you demonstrate your love for Me and for your neighbour. For a deed of neighbourly love also testifies to your love for Me and will enrich you far more than you have given up. And who is your neighbour? Every needy human being who approaches you with a request for help is your neighbour, regardless of whether he voices it or whether it remains unspoken. For you will recognise yourselves when your help is needed and appropriate as soon as the spark of love in you flares up and you are affected by your fellow human being's adversity. Yet you can live in abundance and accomplish a deed of neighbourly love without sacrificing anything, but it will not be regarded as such if you lack love, if you help in order to dispose of an irritating petitioner or to shine before your fellow human beings. So many motives can prompt a person to render help, yet I only value a deed of merciful neighbourly love impelled by your heart. And you will experience the fact that, when love grows cold in people's hearts, help for other people will only occur due to organisation and deeds of love will effectively become routine, which certainly can alleviate people's adversity but which cannot be classed as deeds of neighbourly love, as the fulfilment of My commandment of love, and which therefore cannot have any redeeming effect either. The right hand should not know what the left hand is doing.... it should be a quiet giving; yet material gifts alone cannot be described as deeds of neighbourly love. Every other help, every kind look and every caring word can be valued as a deed of love if it comes from the heart. People's spiritual and psychological adversity is often even greater than their earthly adversity, there you should actively help by giving encouragement and comfort in suffering, by lifting people up spiritually, by conveying My Word and leading them back to faith, where it is necessary. All this is part of the commandment of neighbourly love, and I only expect a soft and compassionate heart for you to be able to fulfil My commandment of love for Me and your neighbour and also awaken love in your neighbour's heart, who thereby can be guided on the right path and you will have acquired a double reward. However, you should not help for the sake of reward but only for love of Me, then all your deeds will be blessed.... Amen

### **Social contributions....**

How often do you humans rely on the fact that you will receive help, and how often is it possible for you to offer it in turn, for no-one can rely on himself alone, everyone needs the help of his fellow human beings, just as everyone gets into situations to help another person. Yet people endeavour to achieve complete independence from their neighbours and also to rid themselves from giving help.... They try to **lawfully** regulate what should be a **voluntary** service of help, and everyone tries to derive the greatest possible benefit for himself again from this regulation.... What would be extremely highly valued for every individual person's soul as unselfish neighbourly love is changed into an involuntary duty, and there is no benefit for the soul as long as all voluntary activity of love is excluded.

According to human estimation all earthly hardship could be averted from people in this way, and this is no doubt also the intention of those who feel responsible for people's serious difficulties since they cannot be concealed and burden the latter.... And as long as unkindness prevails amongst humanity even these endeavours are a blessing in as much as people will not perish in misery.... Nevertheless, it **cannot** solve people's **spiritually** low level, for this requires activity of unselfish neighbourly love.... People have to be touched by other people's hardship to kindle the love in them.... There has to be the kind of adversity amongst people that will stimulate a kind-hearted person into actions of love.... Help can be rendered in every respect to a fellow human being through words of comfort, through caring sympathy, through active assistance.... Yet human life, above all, relates to the overcoming of matter.... the transformation of selfish love into selfless neighbourly love.

The human being should let go of what is desirable to himself in order to give it to a fellow human being who is in need of it.... This is why wealth is unevenly distributed, precisely in order to motivate this will to give, since a person can learn to overcome matter at the same time and thereby make the greatest gift to himself by detaching himself from material possessions in order to alleviate a fellow human being's hardship.... Only what is voluntarily relinquished will reap a rich reward for a person, for only free will demonstrates love, whereas all other contributions a person has to make are entirely devoid of love, indeed, they are more likely to harden a person's heart as he suppresses in himself the will to give in the belief of having done enough for other people's well-being. Yet no matter how much people try to ease economic poverty in this way.... the human being will still be affected by hardship in other ways, on the one hand for his own benefit, but on the other hand in order to move a fellow human being's heart into providing help.... in order to touch it, so that the spark of love ignites, so that love will not grow completely cold amongst people....

And precisely **those** people with very hardened hearts are frequently affected by **non-material** problems, so that they have to take a different path if they are to be helped: their pleasure of earthly possessions will be taken from them.... what they did not want to give to alleviate other people's hardship they will then no longer be able to enjoy themselves.... Material belongings will now lose their value, and blessed is the person who deals with this in the right way.... who now voluntarily relinquishes it in order to give it to needy fellow human beings.... Blessed is the person who ultimately acquires his fellow human beings' love as a result of good deeds, which alone will follow him into eternity.... Then his hardship will not have been unsuccessful for his soul.... Amen

**One shall serve the other.... Bargaining products, occupation....**

Every human being's task is to help his fellow human being, for this reason I endowed people differently, conferred various abilities on them, gave them different degrees of strength and also shaped their circumstances so diversely that the right co-existence between people also necessitates a mutual exchange of the gifts which are at everyone's disposal.

And thus everyone shall give to the other what he has and what the other is missing.... Each person shall be of service to the other.... because it is the human being's task in earthly life to redeem himself through helpful neighbourly love.... On the one hand I indeed demand unselfish neighbourly love but on the other hand this love should also be correctly acknowledged and rewarded in a just manner. And thus every occupational activity can also contribute to the attainment of the soul's maturity if the person always strives to be of service to his fellow human being, if he carries out his work with love and thereby wants to please.... if he doesn't merely follow his occupation for the sake of payment.

In this way people's co-existence will always be beneficial and also guarantee a state of tranquillity and peace and a certain lack of worry as long as I Am included.... thus love for Me and other people is clearly being fostered. For then everything will fall into place by itself because people live their lives in divine order. However, people have now left this order completely, for their every thought and intention only intends to increase their earthly wealth, and whatever they do generally lacks love for other people whilst material desire is very dominant.... It no longer is a mutual service but rather a wanting-to-enrich-oneself at the expense of the other person. And the attribute of almost every occupation is that it is **purely** regarded as an income and not as a helpful balance where needed by fellow human beings. Every person's work has become a bargaining product to a greater extent, and even the work for Me and My kingdom often lacks unselfish love.... even this work is frequently considered an 'occupation' that is only carried out for the sake of income.

And where material thoughts and inclinations predominate, no spiritual blessing, no spiritual progress will be accomplished, and this, too, explains the spiritually low level which is experienced by humanity in these last days. People's thoughts only revolve around matter, and thus My adversary uses his every influence on them, for the material world is his world, and all matter is spiritual substance which is **well below the human being**. ... and this is what people are striving for. If they could detach themselves from matter, then helpful love would express itself and peaceful harmony could be recognised on earth too, and people would comply with their real task on earth. Yet love has grown cold amongst people, and therefore My adversary has great power, and the greed for material wealth keeps growing the nearer it is to the end. Yet people who unselfishly consider their neighbours and put their strength at their disposal will be doubly blessed.... Although they won't acquire earthly riches their spiritual wealth will be immense and remain when all worldly things have vanished. For no-one will be able to enjoy his possessions for much longer, and woe to those who have no other but earthly riches to show.... their desire for matter will be fulfilled.... They will become matter themselves, and an infinitely long time will pass before they will get released again from their hard constraint, which they nevertheless had endeavoured towards of their own free will and therefore shall also receive according to their will.... Amen

**The correct way of life is not enough to mature fully....**

If you consider that only deeds of love take effect on your soul after the death of your body and that all earthly intentions, thoughts and actions will not result in any kind of benefit for the soul in the spiritual realm, you truly would not live your earthly life so indifferently.... And even if you faithfully fulfil the duties earthly life demands of you, even if you do everything in everyday life in order to live a correct life in the presence of people.... each and every deed is without value for what alone is everlasting... for your soul.... as it cannot take any earthly acquired possessions along, all earthly knowledge stays behind, all earthly treasures and every person's reputation is worthless if the soul enters the kingdom of the beyond deprived of spiritual possessions. Only spiritual aspirations and actions of love yield everlasting spiritual treasures for the soul....

And people are so often conscious of their own importance just because they are leading a correct way of life even though they only have their earthly actions or a certain amount of order in their living conditions in mind and fail to consider that the purpose of earthly life is a different one than improving their physical well-being.... they fail to consider that a human being's every activity has to be supported by love, that it has to be motivated by love if it is to be of value for the soul after the death of the body. And if you now observe all the things that are done and said by you or in your environment, and how seldom they are caused by love, then you have to admit that everything is in vain and only serves your attainment of earthly purposes. And you would be shocked if you could feel your soul's deprivation as physical discomfort, for then you would never be able to enjoy your life again.... Yet your soul is unable to express itself so obviously because then you would only strive to live a different kind of life due to selfishness so as not to feel this daily and hourly discomfort, and then such striving would also be worthless. But you should consider what value every earthly attainment has for you, since you know, after all, that your stay on this earth won't last forever.... But you don't believe in the continuation of the soul's life after death, and that is why you are so half-hearted and disregard your soul. You believe that you will cease to exist at the moment of death and one day will bitterly regret that you have not made better use of the time on earth; you will regret not having loved more, which each one of you can do, since a tiny spark of love smoulders inside of him that he only needs to kindle.... Every human being can also experience for himself the benefit of a deed of love done to him by a fellow human being.... And thus he could benefit his neighbour too, it would certainly not be to his disadvantage, for the inner satisfaction of his action would inspire him into ever more actions of love and his selfish love would decrease at the same rate as his love for his neighbour grows....

No human being suffers a loss, for whatever he gives out of love he will receive a thousand fold in return on earth or one day in the spiritual kingdom and then be exceedingly blessed, because the time on earth when he should thus rise above himself is only very short, whereas the soul in the spiritual kingdom can eternally enjoy the riches it has acquired on earth. People live indifferently, eagerly undertaking earthly work, eagerly increasing their earthly possessions, using all their energy of life for entirely negative actions, because they constantly just create transient values.... Their soul's immortality however .... is not taken into account by them, they do not take loving care of it, it has to starve and then enter the kingdom of the beyond in a miserable state where it only finds what its love as a human being on earth has provided for it.... And if this life were without love then the soul would be without light and strength and would approach a painful fate, for only through deeds of love is it able to mature on earth ....

And therefore people should not say 'After all, I am not doing anything evil....' The human being has to do good deeds born of love in earthly life, only then will he be able to enter the kingdom of the beyond without self-reproach even if he has not yet achieved a high degree of love, he will surely be able to attain it in the beyond providing that the light has been kindled so that the soul will not enter the spiritual kingdom in complete darkness.... Amen

### **The bond of love shall connect everyone without distinction....**

Only love will always and ever lead you to perfection.... And this love has to flare up deep within your heart, it has to fill your whole being and motivate your every intention and action, then you will come ever closer to perfection, then you can say that you are reborn, for you have changed yourselves into your fundamental nature again. But only few people achieve this high degree of love while still on earth, yet I already accept their will as evidence of love.... the will to reach Me, the desire for My presence, always proves their love for Me already ....

You humans are unable to muster this burning love for Me and all created beings, which deifies you on earth already, you live in a world devoid of love, and that also has an effect on those who themselves are willing to love but who, due to recurring unkindness, are inwardly inhibited from loving actions which, however, would awaken reciprocated love. And yet you should carry out this work on the soul, you should even love where you are hated, and you will rise above yourselves and become capable of ever greater love. And you may well believe it, it is possible for you to do.... if only you always appeal to Me Myself for strength where you are too weak yourselves.

There is no special merit in loving something that is good and beautiful.... Yet to show love to a person who treats you badly or has many shortcomings and faults is far more difficult but also far more commendable, and then your degree of love will rise indeed and you will draw ever closer to Me, the Eternal Love. In order to be able to do this you have to open yourselves to My ray of light.... you have to appeal to Me to soften your hearts, to work in you Myself as soon as you cross the path of people who don't mean well or who do not appear amiable to you. Consider the fact that **all** human beings are My living creations, that I want to regain all people as My children, that you all have the same Father, but that not all people have achieved the same degree of maturity which they should and would be able to achieve on earth. But the bond of love should connect all of you, for only by way of love can you also help these less mature people to achieve a higher degree of perfection, for no ray of love sent forth by you will be without effect, it will always have a beneficial effect on the soul which is still surrounded by dense layers.

You are able to show love to such persons if only you consider the poor quality of their souls, which still have to struggle and fight for a long time until they are spiritually fully mature. And if you.... as soon as you are confronted by such a person.... immediately remember Me and My emanation of love, which is available at all times and only wants to be seized by your hearts.... thus just a brief call to Me in Jesus is enough for Me to illuminate you and enable you to love your fellow human being, whom I do not send without reason to cross your path, for he as well as yourselves should mature through such meetings, which you inwardly dislike....

You should never put your own interests first, you should never ask whether such meetings are beneficial for yourselves but always take notice of the other person's situation and try to help him, for would I let something happen to you that would be harmful for your soul? Love should glow ever more brightly within you, and My ray of love will always flow to you.... But if you consider to evaluate a human encounter and take earthly measures to avoid it then your action, at that moment, is not in contact with Me and you cannot expect any help from Me either.

Everything you encounter in earthly life only happens to you for the sake of maturing your soul, and you should not avoid it but handle (meet) this with the use of My strength, and you will be able to derive rich blessings for yourselves as well as for your fellow human beings. You are truly able to develop a high degree of love in you if only you call upon me mentally and appeal for My flow of strength, thus for My illumination of love, and open yourselves to receive it. And therefore it also requires that you do not exclude Me from your thoughts.... And this is the key, it is the only explanation you need to reach your perfection still on earth.... For as soon as your thoughts constantly embrace Me the flow of My strength of love also has to affect you constantly, and then I can always be present with you too.... My presence, however, gives you the evidence of your union with Me, which is only ever achieved by love. Hence love could totally deify you on earth already, yet as you are rarely able to raise it to a high degree you will also have to suffer and through suffering dissolve the soul's cover.... Still, no matter what happens

to you, everything is well considered and will only ever be in your best interests as soon as you are willing to return to Me and enter into final union with Me, which will guarantee you eternal life in blissful happiness. Amen

### **Love one another....**

One law applies to all of you, that you shall love one another and thereby also prove your common bond with Me. And even if you are bothered by the thought that you have no inner bond with your fellow human being whom you should love, you shall nevertheless remember his soul which is still subject to the constraint of the body, and you shall know that the soul belongs to Me even if its will is still **opposing** Me. For you are all My children and therefore shall consider your fellow human being as your brother and strive towards the Father together. Love shall unite you, then you will demonstrate that you are children of the same Father. And this love shall stop you from every suspicion or judgment of your neighbour, love shall help you bear his every weakness and fault; you should only ever bear in mind that his soul can still have a low degree of maturity and the human being therefore behaves as he does, even if you dislike it. You should not pass harsh judgments for then you will also motivate Me to judge you in the same way, for not one of you is without fault, not one of you has as yet reached a degree of maturity which excludes imperfections and weaknesses, and yet I endure you with greater than great love and patience and don't pass harsh judgments upon you. And therefore I gave you the commandment: love your neighbour as yourselves.... If you fulfil this commandment of neighbourly love then you will spread a merciful veil across his faults and weaknesses, and you will only ever try to help him and only ever awaken mutual love in him if you let him feel your love.

With these Word I address all those of you who are still inclined to expose your neighbour's faults, for thereby you demonstrate your own lack of love which subsequently gives you no right to judge your neighbour. And by doing so you become sinful yourselves, for you contravene the commandment of love.... Therefore, if you want to be My children you must also make an effort to fulfil the Father's will, which only ever wants you to love one other or else you belong to My adversary, who is devoid of all love and always tries to influence you into **opposing** the law of love. And do you **love** your brother if you are angry with him? If you emphasise his flaws and weaknesses, if you judge him harshly? You must learn to endure his weakness and help him.... Then you will carry out My will, and then your conduct will also result in blessings, you will gain him as your friend, he will take your example to heart and will want to emulate you, and his inner being will be full of love for you as well, for love awakens love in response, and then you will also prove that you are the children of the same Father, Whose nature is pure love. And then My love will embrace you ever more closely and your hearts will become increasingly more willing to love, so that they will pass this love on to the next person and then you will indeed be My true children, as it is My will.... Amen

B. D. br. 0548, 16.8. 1938

**Admonition to unite.... Peacefulness... Love....**

You, who are in contact with each other on earth, should learn to get on together.... you should respect and love each other, you should share your worries and make an effort to muster mutual understanding, all of you are, after all, your Father's children, all of you are a small part of the eternal Deity and therefore you are all the same living creations of His love.... And if you deem yourselves entitled to consider yourselves better than another you will hardly be pleasing to God, for it will become a stumbling block for you on your path to perfection. You must establish a relationship with each other which corresponds to God's will.... You will truly reap far more love where you sow love, and every heart you meet with love will lovingly turn to you. It may mean overcoming yourself each time, yet the advantage for your soul is extremely valuable. Neighbourly love should be cultivated and never be neglected or even disregarded, for your own strength will grow to the same extent as you consider your neighbour. Therefore, don't let discord arise between you, live in love and strive to balance everything with love, and don't offer the other person any reason for unkindness. Your whole nature should become pure love; hence, you must also take care to always give love in order to receive even more. And judge not, so that you will not be judged.... Time and again you should bear these few Words in mind if you run the danger of making judgments about your fellow human beings.... Everyone has faults and weaknesses, and many don't even recognise themselves and therefore treat others arrogantly, yet anyone who practices gentleness will also approach such fellow human beings with the greatest patience and peacefulness and leave the responsibility of judgment to the Lord, for He alone will make sure that these, too, will recognise His power and bear the last burden of their lives with profound humility....

Yet you yourselves only ever ought to fulfil your task with greatest love, which consists of uniting with each other.... of overlooking another person's flaws and only aiming to serve the Lord in everything you do, so that you will establish a relationship which only serves the purpose of proclaiming the kingdom of God to your fellow human beings.... and all your efforts will be successful if you only ever make true love your driving force. If you make an effort to give love, it will fall on good ground and awaken love in turn.... yet love can never thrive in discord but provide the evil power with ever more influence.... For that reason, try to abstain from all unkindness if you want to unite yourselves with the One Who is true Love Himself.... Amen

\*

B. D. br. 5432, 8.7. 1952

**Thinking and acting righteously.... Love your enemy....**

You ought to think and act righteously. This includes meeting all people with love and not excluding anyone, for all people are My children, who should love each other.... thus you should not deny your love to any person while granting it to another, because you should not make judgments if one of your brothers has done wrong but leave the judgment to Me, as I Am truly a righteous Judge. It is certainly difficult for you to feel the same love for all people, but if you consider that you all have only one Father, if you consider that His love created all of you and that His love always and forever belongs to His living creations, even if they don't want to know Him.... if you are aware yourselves of being seized by the Father's love and feel constantly sheltered by His loving care, then you should not curtail your Father's love, but this is what you would be doing if you acted and thought unkindly of your fellow human beings who are, after all, My children too whom I love.... Even those people you think you can't love have a soul, although it is frequently pitiable because it lingers in profound spiritual hardship.... precisely because the human being is bad and thus does not awaken love in you. Were you, however, able to see the hardship of such a soul you would, if you only had one spark of love in you, want to help it with deepest compassion and would not rest until you have reduced this soul's suffering. Then you would only see the soul, the human being as such would no longer seem detestable to you but you would support him like a completely blind person and forget whatever he has done to you. And you should always remember a fellow human being's **soul** if he cannot awaken love in you.... The soul's torments are inconceivable, and I have mercy upon every soul and would like to help it.... Nevertheless, I cannot infringe upon its free will, I must allow it to take its own path.... **you**, however, can grant it love and thus so influence a person that he, too, can ignite love in him and thereby reduce his soul's spiritual hardship. Hence, you can help where I Am effectively powerless as not to endanger the person's free will. And you will only think righteously if you help a fellow human being, who is still bound in sin, to attain the level which you have climbed already, for you were helped by My grace when you were still weak and My grace also wants to help those who are still below yet held captive by My adversary.... And you should help to loosen the shackles, you should lovingly bring the children who have gone astray back to Me, the eternal Father, you should help them to find the same that you have found through My love and My grace.... Amen

B. D. br. 1029, 29.7. 1939

**'Vengeance is Mine....' Revenge....**

'Vengeance is Mine....' says the Lord.... and therefore you should not exact vengeance, instead you should make an effort to repay evil with good and not think about how you can revenge yourselves for the wrong done to you. For anyone who suffers injustice and never entertains vengeful thoughts is gentle minded and patient, and his will endeavours to eliminate injustice by doing nothing in order to obtain satisfaction for himself. And this is an immense advancement for the soul.... It is certainly very difficult to be unjustly treated and yet consider the enemy with love, nevertheless, it is extraordinarily beneficial.... The human being should always bear in mind that every feeling of revenge shrouds the soul in darkness, that it can never become light and clear in a human soul where there is still room for thoughts of revenging the evil done by the other person. For such thoughts will inevitably lead to feelings of unkindness and thus spiritual weakness. And the human being cannot be lovingly active if he does not put a stop to such thoughts in him. For animosity is a tribute to the opponent.... Anyone who lives in animosity with his neighbour has already granted the evil power every right over him. Every feeling of hatred and vengeance must be banished from the heart, for it will lead to other unclean thoughts, just as, vice versa, a devout and gentle character is only ever concerned about not doing wrong to anyone, and that all injustice must be left to the responsibility of the divine Lord Himself. For only the Lord can judge the blame of two partners and what gave rise to the enmity. So if in earthly life hatred and discord seem to prevail, the human being must especially try to eliminate these bad habits.... It is not enough for a person to anxiously avoid an argument.... he must aim to adapt himself to the other person where possible and change hostile feelings into the opposite. The success of such intention will be felt so indescribably beneficially, all hatred will end since love, gentleness and patience will take its place, and the person will experience an inner sense of satisfaction if he tries, where possible, to undo all injustice done to him with the weapon of love.... Love disarms all anger, vindictiveness and the urge for revenge.... Love reduced the feeling of suffering injustice and will never consider retribution, for it strives for spiritual perfection and for this every degrading thought has to be excluded first, and the Lord will take abode where the human being rises above himself and the heart has transformed itself to love, gentleness and patience, for this is the inevitable basic condition for the Lord to reveal Himself and thus also practise patience with His children.... Human revenge and retribution are not permissible where the soul wants to liberate itself from its chains.... therefore, hand everything over to the Lord, for He is pure Love Itself and will exact vengeance according to the law of love.... Likewise, you, too, should make an effort to practise love among each other and always and forever fulfil the Lord's will, Who cautions you against judging your fellow human beings' unkindness too harshly.... Amen

### **Accountability before God's judgment seat....**

One day you all will have to justify yourselves before God's judgment seat.... make sure that you can step before Him without fear and trepidation; make sure that you will be acceptable in God's eyes so that you may share His kingdom with Him.... This is a serious admonition, for you will greatly regret it one day, if you neglect to subordinate yourselves to His commandments, if you pay no attention to His will on earth and then realise the consequences of your indifference and opposition. As yet you all still have the opportunity to change if you don't live the right way, if you don't care about God's will, your earthly task is still constantly pointed out to you, the Word of God is still made accessible to you and His might is time and again revealed to you through all kinds of events.... You can still change if you seriously want to.... However, once your hour has come, when you are called up from this world, then the hour of your accountability will also have come, and you will no longer be able to undo anything nor catch up on what you have done or neglected to do during your earthly life, then you will be judged according to righteousness and justice, then all your sins will be revealed and you will recognise yourselves.... for then you will live in darkness and find yourselves in a miserable state.... which, however, you created for yourselves through your way of life on earth.... Don't live carelessly from day to day, consider the fact that you were only permitted to embody yourselves on earth for a purpose, that you did not arbitrarily come into existence as a whim of the Creator.... that you were given a goal and that this goal can only be reached if you subordinate yourselves to God's will, if you adapt yourselves to divine order.... if you work at improving yourselves, so that everything which had left the order will live in eternal order again.... when you, who are imperfect, shape yourselves to perfection again by fulfilling the divine commandments, which demand love for Him and your neighbour. God gave you these commandments because you were devoid of love which, however, is the epitome of divine order.... He gave them to you as a guiding principle for your life on earth, according to which you can therefore conduct yourselves in life.... Only the fulfilment of these commandments is His will.... which He time and again proclaims to you through His Word.... Thus, listen to His Word and try to live up to it by only ever accomplishing works of love in order to thereby come ever closer to Him. Then you truly need not fear the day of Judgment, then you will be able to step before God's judgment seat, before His eyes, and He will be well pleased with you.... the hour of passing away from this earth will also be the hour of your redemption and you will be able to enter the spiritual realm in a free and unburdened state.... Abide by My admonition which sounds to you from above, don't be half-hearted and indifferent because you deem the day of passing away still to be distant.... Bow to His will and fit in with it.... live in love, because then you will live in and with God and one day you will be accepted in His kingdom, where love reigns supreme and where love bestows beatitudes without limitation.... Amen

**The reward of a life of love, blissful fate in the beyond....**

Those of you who heed My will on earth are granted a blissful fate. I expect nothing else from you other than that you conduct yourselves on earth like your Father's children, that you love and help one another like true children of the same Father do. No other commandment is given to you by Me, for true love includes everything, from true love emerges everything that leads to unification with Me. Consequently, true love is all you need to strive for on earth. Your nature must shape itself into love, it must become again as it once was when it originated from Me, the Eternal Love.... Then you can stay in your true home again, in the kingdom of light, in My presence and illuminated by My strength, which signifies eternal beatitude for you. A blissful fate is granted to you if you respect My will.... Therefore, make My will your own, live in Me and with Me, and My will shall be yours too. To live according to My will is all I expect of you. But anyone who lives according to My will cannot be anything but good, and thus is kindness of heart also the evidence that a person has entered into My will, that he is a true child of his Father. And I watch over My children with all love and care, consequently they can go through earthly life without worry as soon as they feel themselves as My children and are closely united with Me through love, which characterises the human beings as My children. Be kind to each other, support each other in every adversity, try to keep all suffering at bay and help wherever possible. Prove yourselves as My children, and your Father's love will be your eternal reward.... Amen
